Slabbinck Heritage Collection, inspired by Hendrik Slabbinck. A new collection of timeless vestments, inspired by the designs of Hendrik Slabbinck who started Art Studio Slabbinck in 1903. This collection is our way to honour Hendrik's legacy, which has inspired four generations of Slabbinck design.

During the second world war embroidered reproductions of valuable oil paintings were created in the Slabbinck workrooms.
In this way our skilled craftsmen were able to remain employed and Slabbinck could retain it's trained and talented staff.
This is a re-issue of such a masterpiece, still in the hands of the Slabbinck family. It expresses the great tradition of hand embroidery and textile confection in Flanders.

Chasuble in **Moiré**, a fabric of 100% viscose.
With exquisite hand embroidery.
Width 55½", length 48½"; lined; with inside stole.

3870 Chasuble, plain neck "0" **price on request**

Hand Embroidery of Christ the King band only.

Tapestries, lectern and altar covers

To adorn any room or hall, whether liturgical or not, to be hung on a Paschal candlestick, or to be used as a processional banner, lectern cover or altar cover.
Each of these tapestries is a unique creation of our Flemish artists. They create a warm atmosphere, inspiring quiet and prayer.
We can design tapestries inspired by the most diverse sources, giving expression to your ideas; for example, with the Patron Saint of your church or institution, ***or completely custom-made as shown on top of this page.***
They are processed with the utmost artistic skill and care, manufactured in fabric with pronounced structure, lined and interlined, with a fine combination of colourful applique with gold and wool thread embroidery.
Top and bottom are finished with an open hem to hold rod. The loops and fringes are available at extra charge and are not included in the sizes.
A hanging rod with two supports only supplied for sizes 31½" x 12½" and 47" x 18".

Price each for standard sizes.

Chasuble

• In **Pius**, a 100% Trevira fabric. Width 59", length 53"; unlined; with inside stole. With digitally printed design by **Brody Neuenschwander**, an American calligrapher and text artist whose work explores the boundaries between text and image.

5006, **5007**, **5008** or **5009** Chasuble, plain neck "0" **$ 1,715.00**

5006 Features the words "Lumen Christi. Deo Gratias.", which are recited as the Paschal candle is processed up the aisle of the church on Easter Saturday. Beneath, a detail from an 11th century German manuscript and a fragment of the letter L (for Liber, book) decorated with Celtic knot-work, a symbol of eternity.

5007 Pentecost chasuble. In the background: detail of the Pentecost mosaic from San Marco in Venice, placed over the heart of the priest and carries the dove, from which radiate twelve rays symbolizing the apostles. In the foreground in golden yellow: "Veni Creator Spiritus" sung in the Pentecost liturgy.

5008 On the right side is a page from a medieval bible, written in dense and dramatic Gothic script, which represents the preaching of the Gospel. To the left in bold, yellow calligraphy: "Sanctus Dominus Deus Sabaoth" from the Sanctus of the Mass.

5009 Purple chasuble, with text of the Magnificat for Advent, and a stripe of dense, almost troubled kind of writing representing the dark night, but written in gold and ochre representing the light of the Resurrection at the end Lent and the birth of Christ at the end of Advent.

• In **Jaspis**, fabric of 70% man-made fibres and 30% viscose. Chasuble, width 63", length 53"; unlined; with inside stole. Beige, red, rose, dark green, purple or grey.

Interchangeable superfrontal

These stylish interchangeable superfrontals are lined, interlined and easy to attach with velcro (positive part hooklets attached to the altar cloth, negative part felt attached to the superfrontal), making it possible to leave the main cloth on the altar. With these superfrontals use a heavy altar cloth (e.g. in **Omega**-fabric) or an altar cloth with lining and interlining (double price) to prevent it from slipping off.
They can also be ordered separately for existing altar cloths, in which case we will supply the velcro positive strips free of charge (please indicate if required when ordering). Please note prices are for superfrontals only; for altar length (A) up to 71", standard height (D) 10" (same price up to 12"). Altar cloths at extra charge.
Manufactured in **Regina**, a multi-coloured brocade. In white/red, white/green, white/purple or white/blue.

God's love is eternal.

Our altar sets are made—literally and figuratively—with eternity in mind… to glorify God, to endure for generations to come. These beautiful, hand-polished metals deserve the special protection of our exclusive treatments, such as Urethane Coating. It's attractive, yet tough. Protective, yet environmentally friendly. Individual pieces also feature scratch-proof footing, so even the surface they stand on is well-protected, too.

Artistic CHURCHWARE

COMMUNION WARE & ACCESSORIES

Each meticulously crafted piece of Artistic communion ware is designed to honor and glorify the solemn and sacred act of receiving holy communion. Our communion ware covers bear the holy cross, encircled and supported by a three-tier pedestal, which symbolizes the Holy Trinity—a reverent foundation that is forged into a host of other Artistic Churchware creations. During and following communion service, the communion cover can be placed on its base as a symbolic focal point on the altar, along side the communion tray and bread plate. Together, our communion ware pieces serve as humble vessels through which the body and blood of Christ may be received by all.

Upon request, knobs may be substituted at an additional charge for cross on all covers.

Basilica Church Statuary

AVALON GALLERY

A beautifully rendered line of European-style church-sized statues. Made from an Italian artist's drawing, handcrafted and hand-painted from start to finish, each piece honors the beauty and character of the fabulous wood statues of old. The statues are lovingly treated and painted so that every Basilica wood replica retains its natural hand-carved look.

Each sturdy resin replica is moulded and reproduced in exact detail. Artisans devotedly paint these perfectly shaped figures with vibrant oils, highlighting each stroke of the carver's blade. These *Milagros*-exclusive statues will make an excellent addition to any church or chapel setting.

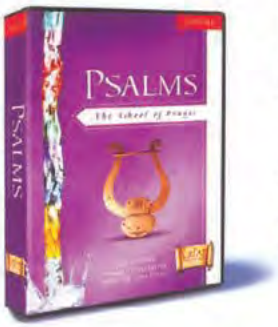
The Great Adventure

Ongoing Studies



Psalms: *The School of Prayer*

Presented by Jeff Cavins and Tim Gray, Ph.D.

With *Psalms: The School of Prayer*, *The Great Adventure* moves from telling the Story to making it personal. While the historical books of the Bible recount God's creative and redemptive acts in history, the Psalms reveal Israel's response to God's covenant offer and serve as a model for our response to Him.

Revelation: *The Kingdom Yet to Come*

Presented by Jeff Cavins

In this intriguing look at one of the most talked-about books in Scripture, Jeff Cavins explores Revelation to demonstrate how the Kingdom established by Christ in His Church is intimately connected with the Kingdom of Heaven, especially through the celebration of the Mass.

James: *Pearls for Wise Living*

Presented by Jeff Cavins

James is one of the most practical books of the Bible. Like the book of Proverbs, it is a book of wisdom, a collection of teachings on issues faced by ordinary Christians in everyday life. This study offers "pearls for wise living" by applying the wisdom of James to the present. For anyone who has struggled to live a truly Christian life, James offers a wealth of practical solutions.

First Corinthians: *The Church and the Christian Community*

Presented by Tim Gray, Ph.D.

The conflicts of the early Christians in Corinth are in many ways similar to our struggles today as Christians. With divisions, immorality, persecution, and other trials of the faithful, the message of St. Paul to the Corinthians is a much-needed message for our own times.

Presented by Tim Gray, Ph.D.

Exodus looks through the lens of Christ and the Church to show that, more than just seeking to free His people from the domination of Pharaoh, God desired to free His people from the far more sinister tyranny of sin, so they could live the authentic freedom that belongs to children of God.

Imported Wall Rosaries

Traditionally, wall rosaries were hung on a wall or hearth. Each evening the family would gather around and recite the rosary together. These wall rosaries were then handed down from mother to daughter through the generations. Today the wall rosary serves to remind us of this wonderful tradition.

Featured Prayer: O Blessed Trinity, We thank you for having graced the Church with Pope John Paul II and for allowing the tenderness of your Fatherly care, the glory of the cross of Christ, and the splendor of the Holy Spirit, to shine through him. Trusting fully in Your infinite mercy and in the maternal intercession of Mary, he has given us a living image of Jesus the Good Shepherd, and has shown us that holiness is the necessary measure of ordinary Christian life and is the way of achieving eternal communion with you. Grant us, by his intercession, and according to Your will, the graces we implore, hoping that he will soon be numbered among your saints. Amen.

Paschal Candles

The Paschal Candle tradition has its origins in the early church and it is believed that St. Ambrose made this candle prominent during the Easter season late in the third century. The term "Paschal" comes from the word Pesach, which in Hebrew means Passover. The flame of the Paschal candle symbolizes Christ's illuminating light, and His presence in the midst of His people.

Every Will & Baumer Paschal Candle is made of 51% beeswax and hand-tooled to ensure a blemish-free finish. Experienced artisans craft the ornamentation on each candle through hand-carving, wax-inlay and four-color appliqués. The Radiant Light Paschal Candles featured on this page are handcrafted with our very own Will & Baumer color appliqués and applied by hand after the candle has been formed and finished.
